Tasks

- 1. Product card design:** Created conversion-focused product cards for elfbarpods.de, flerbarshop.de, and glimp.de, including ELFX Mini new-arrival layouts, optimized product-image areas, clear price blocks, improved product-detail hierarchy, and consistent brand styling.
- 2. New site design:** Refreshed the vaalpod.de homepage and product-page layouts with cleaner spacing, updated content blocks, stronger visual hierarchy, improved section structure, and more polished UI elements.

3. Email newsletter: Designed branded newsletter templates for elfbarpods.de, flerbarshop.de, and glimp.de, including ELFX Mini New Arrival and Mega Sale campaigns with product highlights, promotional sections, and clear call-to-action areas.
